Mr. Sidney,

EPA remains interested in entering into an administrative order on consent (AOC) with FMCV and the Hopi Tribe to address ongoing violations of the Safe Drinking Water Act. Currently, we are entering into settlement discussions with other Hopi villages and hopefully we can meet with FMCV in the near future to do the same. Hillary Hecht of my staff

has made several attempts (January 31, 2018 email and February 7 and 21, 2018 phone conversations) to schedule the settlement discussions and thus far we have been unsuccessful in arranging a time and date to meet.

We would like to schedule a one-hour formal call between EPA and FMCV representatives for Monday, March 12, any time between 9:00 am to noon. Please let me know what time works best for your office and we'll plan to call you on Monday at that time. Thank you and we look forward to speaking with you soon.
